- Network connectivity at Badrinath is very poor. The only telecom networks that work a bit in the region are BSNL and Jio.
- When planning your tour, we strongly advise the guests to keep at least one additional day at hand at Dehradun, after the respective travel date, so that they do not end up in problem in case the weather gets very bad on the day of your tour, which may lead to extension of the tour.
- Flying in hills is subject to weather conditions.
