It is scripted in Hindu mythology that Shiva meditated and stayed at Adi Kailash for some time. Adi Kailash is a gem of nature, with a snow-capped peak spreading its beauty around the valley. Thousands of pilgrims from all over the world join together once a year for a holy yatra around Adi Kailash. This yatra washes away their unintentional sins, and their karma cycle gets restored.

Om Parvat is the sole mountain among the eight mountain ranges that has been discovered. Om Parvat holds sacred importance among the devotees of Lord Shiva. One of the many reasons for its name is the miraculous impression of 'ॐ' Om symbol that can be seen on it. Because it is something that you would not believe if someone told you, many people from all over the world visit Om Parvat only to see it with their own eyes.
